

# preparing for and returning from **PARENTAL LEAVE**

## Who should attend? - Men and Women

This seminar is aimed at working parents who are expecting a child or are in the early stages of preparing to return to work following the birth of a child. The seminar is best suited to parents expecting their first child or those who have experienced an extended break between children.

## What does the seminar cover?

The seminar provides practical information and tools to assist in the development of child, personal and career strategies.

Topics covered include:

- ▶ Negotiate & develop a career strategy
- ▶ Manage your personal career goals
- ▶ 'Launch back' & stay successful in your career
- ▶ Prepare your family & child for childcare
- ▶ Source & select childcare to suit your needs

## Where can I get more information?
