

DIVERSITY DIMENSIONS

SEMINAR

preparing for and returning from PARENTAL LEAVE

Who should attend? Men and Women

Working parents who are in the early stages of preparing to return to work following the arrival of a child.

What does the seminar cover?

Practical information and tools to assist in the development of child, personal and career strategies.

Topics covered include

- Negotiate & develop a career strategy
- Manage your personal career goals
- 'Launch back' & stay successful in your career
- Prepare your family and child for childcare
- Source & select childcare to suit your needs

Where can I get more information?

- *"I really benefited from the sharing of knowledge and experience."*
- *"I have learnt a lot today about my options for my career and personal life."*
- *"It has provided more structure around some ideas I have around how to approach returning to work and supports both understanding business and personal needs."*
